Fatal car accident
takes freshman's life

by Mary Kaye Koch
*Portion of an article printed
on Monday, Sept. 30, 1991
in The Rensselaer
Republican*

Maria Gerlyn Kueper, freshman, and her sister DeAnn, junior, both of Carmel, Ind., left the campus for the weekend to attend a relative's wedding. As they headed home early Sunday morning, the car they were riding in was struck head-on by a pickup truck. Only one of the four people involved in the accident survived.

According to Illinois State Police in Clinton Co., the accident happened on (the new) U.S. 50 near Breese, Ill., at 3:05 a.m. Sunday morning.

Triston Pinzke, 20, of Bellville, Ill., a friend of the Kuepers, was driving the vehicle that collided with a pickup truck that crossed the center line, coming at the Kueper vehicle head-on. The westbound truck was driven by Sheila Augustus, 28, of Route 3, Highland, Ill. The vehicle she was driving hit the Kueper vehicle and immediately burst into flames upon impact. Augustus did not have passengers with her.

DeAnn was riding in the passenger seat wearing a seatbelt. Maria was riding in the back seat.

Maria Kueper, Augustus and Pinzke were all pronounced dead at the scene. DeAnn was taken to St. Louis University Hospital, suffering a broken femur and other broken bones. According to personnel at the hospital and SJC staff, she underwent operation Sunday afternoon and is in satisfactory but stable condition.

"I touched the handle of the door like they say you're supposed to. The handle was hot, so I carefully opened the door only to find one of the closets engulfed in flames."

-Jim Gallina, junior
